

*****SANCHEZ LAW OFFICES ANNOUNCES FIRST ANNUAL
“LOVE HEALS” CHARITY DRIVE*****

FOR IMMEDIATE RELEASE

December 7, 2010

TAMPA, Fla. – The Sanchez Law Offices, PA announced today the kickoff of its First Annual Love Heals Charity Drive to help raise support and awareness for Tampa Bay’s most vulnerable and in need communities this holiday season. Benefiting Metropolitan Ministries and The Spring of Tampa Bay, Sanchez Law Offices (SLO) will help gather food, toys and financial contributions to help make everyone’s holidays memorable no matter their current position in life.

The firm’s south Tampa headquarters located at 201 S. Westland Avenue, will serve as the collection point from 7:30 a.m. to 5:30 p.m., Monday through Friday, accepting money, perishable good and new toys for children of all ages. The drive will end on Tuesday, December 21st.

“We are a part of this community and this project is a natural extension of our desire to not just live in it, but to serve it,” said Gil Sanchez, III, managing partner. “In a period of time when things are difficult for a lot of families, we feel this project is the least we can do to give back to the community that gives to us every day.”

To Daniel Alvarez, Sr., a firm partner, this yearly project is a living example of the corporate culture SLO is building and living on a daily basis.

“We are not just a law firm that earns its living in the community and simply goes home. We encourage our entire staff to give back,” Alvarez said. “These are not just words to look good on a mission statement. We want to see this commitment to contributing and giving back in action. Our Charity drive is how we are putting that pledge to work.”

Being the first year, SLO doesn’t know what to expect as far as numbers and contributions are concerned but the optimism is high.

“We are hopeful that as many people as possible participate. We want to make this as successful as possible, but in the end, no matter what the end result is, we know we will have made a difference in someone’s life, and that is all that matters,” said Sanchez.
